# I am from Bavaria

music and lyrics: Jürgen Birlinger

I'm a lonesome boy from Munich  
And I travelled all around  
I've seen all the things a man has to see  
But now I'm homeward bound

I've been to Rio, I've been to Paris,  
I've been to LA  
I've seen all the girls around the world  
Sunshine and skies of grey

I travelled on the seven seas  
I've been north, south, east and west  
I really have to say „I love the world“  
But my home is still the best!

REF: Hollarei Holldilaria  
I am from Bavaria  
I wear Gamsbart and a Lederhosen  
And I drink no beer aus Dosen

Hollarei Holldilaria  
I am from Bavaria  
I always drink my beer vom Fass  
Zenzi bring ma no a Mass

Bayerns Himmel - weiß und blau  
Bavaria - des is a Schau  
I like King Louis - I like the Tegernsee  
And on Zugspitzgipfel - I feel free

Nice Girls in Dirndlwand  
You only see in Bayernland  
I'm happy and I feel alright  
In Hofbräuhaus Gemütlichkeit  
REF: ...

Beer garden fun we guarantee  
In the shade of Kastanien tree  
You see a lot of schöne Madl  
And they all have fesche Wadl

My boots I call Haferlschuah  
Und Wadlstrümpf ghörn a dazu  
I don't take Cocain - i nimm a Pris  
And I don't drink Coke - des is gwies

Disneyland you have every season  
But in Herbst we have our Münchner Wiesen  
So, come on and get the best  
In Munich at Oktoberfest  
REF: ...

Come on, let's drink one more Mass!
